Dear Friend.

I will write to  
you to-day as  
I have nothing  
else to do. I am  
well and hope  
you are the same  
My School has  
closed. Our tea-  
cher's name was  
Miss. Wilson. It  
is a graded school

and has two  
rooms. I go up-  
stairs and am in  
the 6<sup>th</sup> grade. I  
live in a two ten-  
ement house. The  
people's name that  
live in the other  
side is Earle. It  
was a very cold  
yesterday was  
it not? I suppose  
I will be able to  
Grandpa soon  
and I will expect

A call from you,  
Has Victor got a tra-  
verse this Winter?

Do you remember  
the time we slid  
on the traverse  
and went almost  
over the bank?  
I want an answer  
to this letter  
soon.

Well I will ~~do~~

Close now
